**INFORMATION DISCLOSURE STATEMENT
AFTER APPLICATION FILING DATE**

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

In accordance with Applicants' duty of candor under 37. C.F.R. § 1.56, Applicants submit herewith a completed PTO Form 1449 (modified) which has 1 page and a copy of each printed or patented reference listed in the enclosed Form 1449. 16 references are enclosed.

No fee is believed to be due because Applicants believe that this statement and enclosures are being filed before the first Office action on the merits has been mailed by the PTO. The basis of this belief is that no Office action on the merits appears to have been received by the undersigned to date.

Applicants specifically reserve all rights of privilege and confidentiality with respect to this application, and submission of this document is not to be construed as a waiver of those rights. Citation of a reference is without admission that the reference is sufficient to teach one of ordinary skill in the art how to make or use the subject matter thereof. Moreover, submission of any patent is without admission that it has an effective date prior to Applicants' effective date of invention.

This paper and enclosures are believed to be entitled to consideration under 37 C.F.R. § 1.97, based on the facts stated above. The Examiner is requested to initial both copies of the enclosed PTO-1449 (modified) and return one copy to Applicants to indicate consideration of the enclosed references.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Robert B. Polit", is written over a horizontal line.
